Sorry about not being able to go see the movie at the private screening. Did you just miss it then?
So, I think it would be a good idea to do this year's welcoming party like how we did it with last year's. We held it in the dining hall.
As for the matter of setting up the tables and creating the setting, we had a meeting the day before, and it was decided that the second and third years will be in charge of it...
What about the games?
It's an annual tradition, so of course it's going to be that!
カチ
カチ
I was lucky. I hit the jackpot with my envelope. A big fat box of cheap candy.
Ahaha! Setting them up and watching it unfold is so much fun! When I was a first year I ended up cleaning the bathrooms from the envelope I drew.
Seriously!? And you ate them all?

SFX phone: Bubububu
I want to hide the envelopes this year though
I did it last year and it stirred up quite some trouble, eh?
I went with a friend, but it seems like we got separated. She said she was going to the restroom so I'll wait a little more and see. I'd feel bad if I went home first. I wonder what I should do.
20:45
Sorry, but the meeting is almost over, right? Could you please excuse me then?
It's almost 9pm... I can't believe she's out in the shopping district alone at this hour.
To Hazuki
Can you talk on the phone yet?

SFX: Bububu
Quick send
Still no good Just a little longer. I think everyone will be gone soon.
Excuse me, I forgot something and left it in the restroom. Is it okay to go get it?
Ah, yes. Go ahead~
I just went into the meet-up spot

SFX: Ringing
TOUMA!
Hello?
It seems that the last person just left.
I'm in front of the restroom now.
There's no staff or guests around now. Make a dash for it.

Hey!
Thank you! You saved me!
If you're gonna hug me then do it when you're Tsukiko!
I guess you have no choice but to pose as Tsukiko's cousin or relative...?
Yeah... seems like it. There's no other way.
Asumi-chan is still waiting for you at the entrance.
Haha, I guess that's true
I see... She just waited there for me instead of going home. But if I just suddenly waltz up to her and start talking to her, she might get alarmed.

Ehh!
You're going to come all the way here from school!? I'm doing just fine anyway...

Erm, my cousin... Tsukiko told me. She felt unwell while watching a movie and contacted me...
She's still not very familiar with this place so I got worried and came to pick her up.
You're Asumi-san... right?

Tsuki-chan's cousin!? Is Tsuki-chan okay?
Yeah, she took a taxi and left for home already.
We live in the Amagai dorms so we can't keep her company all the way home...
I see... Could it be that I caused her to push herself too much...?
What do I do? I never asked her for her mobile address or phone number so I can't get in touch with her.
She told me to tell you that's she's sorry.
Yeah! I don't mind; please send my regards to her!
Excuse me but could you hold on for a minute...?
Here
I wrote my mobile mail address here. Could you pass it to Tsuki-chan for me?

You're also heading for the train station, right?
Yeah...
Okay
Then, let's go together
WE DIDN'T SAY A WORD TO EACH OTHER ON THE WAY BACK
IT FELT LIKE WE JUST WANTED THE WHOLE WALK TO END AS QUICKLY AS POSSIBLE.
...EVEN THOUGH IT DIDN'T SEEM THAT WAY.
When she was with Tsukiko, she was talking way more then this...
Ah-ah

We're boarding different trains, so I guess this is goodbye.
Well, we'll be heading towards Amagai...
Um- ...uh
ASUMI!
Big brother?
Hu- ... Dorm Head Houjou!?
Big brother!

We've notified the dorms about it already.
Erm, that's...
I told you to stay put at the meeting spot...
What are you two doing here...
Even if you did, the 10.30pm curfew time cannot be extended.
Hurry on back now. The next train comes in 3 minutes. If you miss that train, you're not going to make it back in time.
Let's go, Hazuki.
Yes...
Come, let's go Asumi.
But big brother, is it okay for us to not ride the train?
I'm going home by taxi so don't worry.

No way. After he comes to pick you up, then I'll head back to the dorms.
You didn't have to. I could've gone back myself on the train anyway.
I called home and asked them to bring a car over. Kiriyama-san is coming over to escort you home very soon.
Ah... Tsuki-chan's cousin!
You might not remember it but I've already met you once before.
On the day of the entrance ceremony!

Somehow when I was Tsukiko, Asumi-san got really friendly and we talked about so much
When she was with Hazuki, it was the total opposite.
Maybe you're just overly conscious about it. It's not really a bad thing you know.
Well, it was fun but.
I guess it turned out to be "girls' talk" after all.
And besides, you got her to remember your name too. Hazuki.
And you got her mobile email too, no?

What's this!? You got that girl to give you her mobile email, Hazuki!?
It is isn't it? No way he's gonna pass up on sending her a message.
Asumi-chan sure is a nice girl
Ahh, but won't it be strange that both Hazuki and Tsukiko have the same mobile email?
But you're just a student, so you don't have the luxury of owning two mobile phones.
You guys
Finding out that she was the dorm head's sister was a surprise.

The dorm head was over at the theater with the two of you too?
It turns out that Hazuki's partner on his first date is senior Houjou's sister. It feels like he came over to send her back.

But I don't remember sending it to her...
Eh? But weren't you gonna mail her eventually anyway? So there's no reason for you to feel down, right?

I haven't replied to him yet.

And she didn't come to school today, either. It just rubs me the wrong way!
But I think that Tsuki-chan and her cousin are nice people, no?
Even if you say they escorted you to the train station, if Tsukiko-san had just left you there to wait in vain, you'd have been in trouble.
Don't you think she should apologize herself instead of getting her cousin to mail you?

In any case, rather than Tsukiko-san, you should be wary of that cousin of hers
Eh?

Unfortunately, I'm thinking that it's best if I go with the "going home" club.

Have you decided yet, Maki-chan?
Not yet
A club that I don't have to show up for much and that doesn't have any lame traditions would be good
Sports clubs are out of the question
I wonder if there is such a club.
Every time it rains we have to take some time off, so choosing a club that poses the least hindrance to us would be the most prudent choice.
I guess that's true...
Sakonji has already decided

Being a committee member automatically puts you on the school festival committee, as well as the athletics festival's executive committee
That's why you're exempted from club activities.
I see...
The class committee We decided on who was going to be in the committee today during homeroom period. He couldn't turn them down and eventually gave in
Eh? What did he Join?
I wonder how that's going to work out. He's now got that responsibility as well as all those extras attached
Yamanoi-kun!
Have you decided which club to Join yet?
Nagae senpai

The curry club's poster is... uh... where did I put it again?...
AAH!! The soccer club stuck their poster on top of ours!!
SHOCK!

Oh He's the guy who explained to us what the curry club was about, right?
Ah... yeah.
We still haven't made up our minds yet.
So... how about coming to the curry club? Our next activity is sometime next week. We're planning on borrowing a classroom to have a meeting.
Uncovering the poster
You're going to make curry?

Eh?
Nope. We're going to have a retro curry eating contest, so the only thing we'd be cooking is the rice.
As this is our first meeting for the new term, I'd like to ask all class committee members and student council members to introduce themselves today.
From summer until autumn, we're going to be holding many events and I hope we can all work together on them. I'm Fuuimaru Kengo from class 3A. I hope to be working with you all at least until the student council elections in autumn
Ahh..! I couldn't refuse the position of class rep!... What do I do!?
And with that, will the second year class committee representative, Takahira-kun, and the first year class committee representative, Sakonoi-kun, please introduce themselves and say a few words to the ones present?

Thanks, Sakonji-kun
This is the list of names for all the first year class committee members.
I'm Sakonji from class 1B. I've only just enrolled in school, so there are still many things I do not know. I appreciate any guidance you can give me in my new duties
I'll be trying my best as the class rep for the first years. It's a pleasure to be working with you all

I guess it's fine. I haven't decided on joining yet anyway.
LINE UP!!
It's time for warm ups! Let's go.
Coro-chan, is it possible that...
Coro-chan is a black belt...
And it looks all worn out, too!
sniff
I can take it if it's a little small, but this gi stinks!

Is having a club of people who like to eat curry okay..?
We usually make retro curry ranking lists, visit tasty curry shops..
Nope, seldom.
The curry club doesn't make curry?
Nagae-senpai...
Isn't this...
perfect?
You just need to show up a couple of times a term and you're done. They also don't seem to have any troublesome customs or club traditions, either
The founders of the club were people who loved to cook curry. We actually did make curry back then. But nowadays, there aren't many opportunities to do so.

And recently, we've sort of become the hangout place for the supernatural club. It's a sorry state, but, I'm no wiz at cooking curry either.
But when I was a second year, I ate some curry the curry club sold at a stall they set up at the school festival and it was delicious.. I don't think I'll ever forget how good it tasted
We won't be able to sell curry at the next school festival, though

Why are you making me do more than I need to!
Senpai! Let's do our best to make curry and have a stall at the school festival!

Well, Hazuki...
I think it's just started raining. We won't transform quite yet.
What time is it?
Almost five.
Curry Club
Thank you!
I'll let you know as soon as I get the programme for the club sorted out. We're all in the dorms, so there shouldn't be a problem

We're in a hurry now
See you!
Yes, that's fine.

I wonder if Goro and Touma know it's raining yet. The karate club is indoors, isn't it?
雨谷学園
This is killing me...!

I can see you've done karate before.
You can stay after the beginners have left if you want.

If it keeps on raining, we won't be able to do a run today.
It's nearly five o'clock. We'll finish with some warming-down exercises.
Shut the windows.
Ok.
雨谷学園
Look, it's raining.
It was still sunny not too long ago. When did the rain start?
雨谷学園
Will do.
Hey, you don't have time for this. Will you be OK?
I think so.

This won't take too long.
You'll see!

Hey, Sakonji-kun!

Yes?
You've forgotten, haven't you?
My name's Kawase. I organised the welcome party at the dorm along with Houjou-san.
I introduced myself to everyone back then.
Of course, I remember now.
It's good to know someone else from our dorm is a class rep like me

You're the dorm supervisor's right-hand man and you're also the vice-president of the school committee? Isn't that a lot of work?
The dorm stuff is all handled by Houjou-san. I spend my time working on the committee.
Isn't Houjou-san also on the committee?
Yes, but the hardest part of his job is supervising the dorm.
So do you want to be a candidate for the committee?
You're tall and I'm sure you want to get into a sports club but, you know, the committee can be a lot of fun.
No... I'm too new to this place and I don't know what the committee does.
And I think it's a pretty difficult job...
I see. I may have been a bit too pushy...
But I really think you could cope with it, no problem.
It's not an everyday job representing more than a hundred people.

I'm thinking of running for president of the committee in the elections.
I'd be pleased if you would support me.
If you want...
Thanks.
Oh no, it's raining again!
Really? I forgot my umbrella.
It's raining! Oh no! When did it start?
Well, I've got to be going now.
OK, sorry for keeping you so long.

Touma, let's hide in the showers! Quick!

Yeah but the fights just now were amazing! That Goro is very good.
Seriously, I can't stand. My legs are shaking
I did this in middle school but they stopped sports six months before the entrance exams
He's spent a lot of time in dojos. He's got a gift for fighting
We have to take the uniforms off. Go ahead, I won't look.

We're both going to transform, but it looks like you were first.

The way it's raining, the sports ground should be deserted.
We can go around the sports ground to get to Haru-chan's place.

I feel like I'm going to transform.

Better it happened here than in the dojo.
Thanks, you saved me.
No problem.
Huh... Looks like I managed to get to Haru-chan's house before I changed.

Hallo?
What's up?
Madoka? It's Azusa!
Azusa?!

RING! RING! RING!
But you would have started crying if I had told you.

I'm at your house right now. Why didn't you tell me you were in boarding school?
Not telling me was much worse!
No way!
yeah, right...
It's been a while since I've seen her.
I'm sorry. I didn't want to see you crying.

I've got so much to tell you it would take all day.
I'll come and see you when I've got some spare time, I promise.

I'm going to go and see him at his school.
Azusa, do you want some cake?
Oh, yes please! ♥

We're back!
Ah, it's you three! I was starting to worry!
I fought a match with an older boy
A match?
How did it go?
Goro-chan won.
Not surprising since it was your first day at karate!
Do you understand the rules, Touma?
Not really.
It's hard work but that's true of any sport.

Because it was really cool

Madoka's girlfriend is in 6th grade.
He really goes out with her?

That's enough, Goromaru!
It's not how it sounds! We hang out together, that's all.
She goes to an all-girls school and because of that she doesn't know any boys. She's a friend and that's all.

A girl of that age... she's maybe a bit young.
It should be OK as long as you're careful.
I've known her since she was born and I think of her as my little sister.
Huh?
He said that?
Don't ever say that in front of her.
Shunichi told me he thought of me as his dear little sister.

Evening everyone! How does grilled pork with ginger for dinner sound to you?
Great!
I'm super-hungry today!

I'll help you, Haru-chan.
Thanks. The kitchen is yours then.
OK.

Hey!
Evening.
Evening. Everything OK?
バーン
Yeah, apart from five boys who are staying out tonight.
ほう
That list has one boy who was at the meeting today.
The class rep committee?
He's not only his class' rep, he's also the rep for all the other first years.
He's handsome.
They've all got permission to be absent. You don't have to bite their heads off.

Yeah.
Maki and Yamanoi?
Two of them joined my Curry Club this morning.
They took the time to listen to me and besides maybe they like curry! They were nice guys, too.
Say, I don't understand why they would join your club.
What's up with him this evening? He's not himself, I'd say.
He's just started as dorm supervisor, maybe he's in zombie-mode because of that?
I'm going to have a bath.

I don't know why you share a room with him.
The main reason is that we never argue with each other.
That's not the only reason he's like that.
His dear little sister may have something to do with it too.
You're scary.
OK, I'm borrowing this CD. I'll bring it back tomorrow.
OK.

Good morning. It's been a while, Tsuki-chan!
slide
I wonder if I'll have to join a club on the girls' side, too...
Oh, good morning.
Ah, I'm sorry I had to leave so suddenly last time.
It's OK.
We didn't have each other's cellphone numbers, so there was nothing you could do.
Do you need a hand?
Thanks.
What are you doing?
I'm taking the pistils off these flowers.

They've almost all opened overnight.
It was Sakurako-chan who brought them.
Use this, it makes removing the pistils easier.
OK.
pop
Good morning.
Good morning...
Ah, good morning Sakurako-chan!

You're removing the pistils?
Yes, it's weird. Almost all of them opened overnight
and the scent was very strong.
You heard the news? The sports class will be held in the gymnasium from this week onwards.
Good! It never seems to stop raining recently
I hope she doesn't want to speak English to me..
There are still some buds left. They'll open soon though. Thanks.

Hazuki! Touma! We'll be together during sports! Great, isn't it?
Hey! Don't forget we're girls right now! Call us Tsukiko and Mako!
Oops.
The flowers in this classroom smell good.
I thought so!
turning
Hey, they look like...

Those are the flowers that girl was carrying the other day.
Ah, maybe that girl is in this class.
It's her!
WOW!

Tsuki-chan, what are you doing? I wouldn't want to be in your shoes if you're late getting ready.
I don't know where to look!
Ah, sure.
ARGH
This is going to be normal for a while.
Hurry up and get changed
He's changed already!

changing
changing
This long hair isn't going to be practical doing sports.
Do you want me to give you a hairband?
Thanks.
I can't quite get it.
Give it here. I'll put your hair up for you.
ooh
You know how to do that, Madoka? That's neat!
It's just that I have a little sister.

DONG
Right, all finished. Let's go!
DONG
I have one too, but she'd never let me touch her hair.
I'm getting tired of this hair. I don't think I'll ever get used to it.
Thanks.

WOW! Their legs are soooo long! They're like models!
Ah thanks...
Don't worry you don't stand out!
Umm, this looks weird, doesn't it?
Yeah...
Those two look really elegant...
Since we're not in the same group, we'll be on opposite teams for sure
After the exercises, we'll be playing some games

Me? I've not given it much thought.
Say, Asumi-chan, have you joined a club?
Must remember to keep my legs together
I know that the boys' school requires joining a club, so I thought it might be the same here.
Me, I'm nowhere near their level.
And they look like they're used to doing sports.
Yes, my cousin told me.
Is it?
Hazuki-kun?

We organise a big festival here instead and that keeps us busy Each class chooses what to do and we all put it on together in the summer
IS THERE NOTHING THE DORMITORY SUPER-VISOR CAN'T DO?
Your older brother plays the piano.
Me, I'm useless, but he's very good. He even composes a little.
Well, yes. My big brother doesn't take part in any clubs, though.
He's very gifted at playing the piano. I thought he'd join a music club or an orchestra, but he didn't.
Ummm,
yes.

You're very good.
Jouji-kun!
APPLAUSE
Oh, sorry. I wasn't too loud, was I?
No, carry on
But why aren't you in class?
It's a study hour. I should be in the library or in the classroom.
But since it's rare that there's no-one in the dorm, I thought I'd take the opportunity to get in some practice

It's good to unwind...
what were you playing?
Oh?
One of my own compositions.
I wrote it a while back for my little sister's birthday.
Talking about your big brother again?
Ah, Sakurako-chan!
shiver
shiver

He plays the piano?
He's a prince, perfect in every way!
Him being so gifted, other guys don't even come close to his level, do they?
!!
Sakurako-chan, that's rude, what you just said!
Shocked!!
THAT WAS A BIT SHOCK-ING
This is perfect, I can watch her...
C'mon, it's our turn to play!
She's cute, isn't she?

Is she suggesting I should tell "Hazuki" to give up on Asumi?
What?
I wonder if your cousin can match up to such an exceptional brother.
You know what I mean.
But what's it to her?
I don't get what she's after.
Oh, here are princesses that haven't been chosen by their prince.

Touma!
Lots of people meet
but not everyone finds a prince.
Whispers
I can't tell Asumi I like her.
Yeah?
don't know. She's a nice girl, she interests me but
It's her brother, he's that sort of guy so nothing I do will get me anywhere
Yeah.
Come on! We're in the same team.
And we're facing Madoka's lot.

I could tell you your bad points!
But it wouldn't be nice so I won't
You should have more confidence in yourself.
I haven't known you for that long, but it's clear you've got a lot of good things going for you.
.....
Tsuki-chan, Kisaragi-san, it's our serve!
Umm, Kisaragi-san, take my place please? I can see you've had more practice at serving.
I'm no good.
OK.

But love...
So he thinks she's sweet and finds her interesting...
THAT'S A LOT MORE COMPLI-CATED.
sfx BAM
We'll practice scooping serves and smashing serves,
and afterwards, the first team will put the nets and balls away.

Hey, Tsuki-chan, do you know Cafe Amayadori?
Eh
yes... but I've never been in it.
Ah, did someone tell you about it?
Everybody here loves that place. All the girls in the school go there often.
In middle school, we were not allowed to. But now that Im here, I can actually go
Ah, I just remembered I have two vouchers for drinks there.

Eh, Hazuki... my cousin won the vouchers at the welcome party at his dorm.
And he gave them to me!
!!
Oh? How did you get them?
What an idiot!
You want to come with us, Kisaragi-san?
No. I'm busy today.

I can come with you today!

But you're sure using these vouchers with me isn't a problem?
He... Hazuki told me that it was difficult for a guy to come here because the customers are usually only girls.
The apple tart looks delicious, but so does the strawberry flan.
Same for the cream puffs and the eclairs.
Two eclairs, they're nice and light.
OK, we'll get two eclairs since that'll save on the vouchers.
Hazuki should have brought you here.
Or his girlfriend, maybe...
HE DOESN'T HAVE A GIRLFRIEND!

But why am I saying all this?!
Touma's not here to tell me to stop being so negative...
At least I don't think so. There's nothing special about him.
he's not good looking or a sportsman or anything really...
Ah, is that so?
I wouldn't say that...

Little Facts:

The school name, Amagai (雨谷), literally means "rain valley".

The chapter numbers have the suffix hPa (hectopascals) and is used to denote pressure in (weather-)science. This may indicate that the pressure is increasing with each chapter.

The cafe name, Amayadori (あまやどり), literally means "Shelter from the Rain". The symbol for the shop is an umbrella.

Translation Notes:

Page 82:
"Gi" is Japanese for clothing and refers to the martial arts uniform. Often used in conjunction with 'Judo' or 'karate' to designate which sport it belongs to (Jūdōgi and karategi)

Page 110:
On this page, Goro and Touma were asking if Azusa was in middle school, as she sounded rather young, but 6th grade indicates she's actually still in Elementary (grades 1-6 are the same ages in USA & Japan). This means she's probably 10 or 11 years old.

Page 113:
"I'm only a beginner, but I hope you'll look after me."
This is a cultural joke, as Japanese women traditionally say this to their fiance when they accept his offer of marriage. This is also why Goro reacts like that.
